- If you need a licence, or need to upgrade your existing licence, please contact your club leader, or the BFA by emailing contact@britfoos.com
- Players residing overseas must have an ITSF licence issued by their national federation.

Capacity Limit

- This tournament will be run on 13-20 ITSF Tornado tables. To ensure the smooth running of this tournament, each event is limited by capacity. If we are able to add more tables (we are trying) we will increase the capacity and announce this online.

Registration

- Purchase your event tickets at www.londontablefootball.com.
- Once you have purchased your tickets, we will register you for the tournament in the ITSF tournament software Coral (app.tablesoccer.org/) and you will be able to view your registration. You will need an active account in Coral - if you do not have one please create one otherwise we cannot register you. Registration closes Friday September 26th at 23:59.
- There is no registration or organisation fee for this tournament.

Tournament Prize Fund

- Prize Fund = tournament revenue - cost of running the tournament.
- We project there will be approximately £1,500-2,500 in the Prize Fund.
- Prize Fund allocation for each event is calculated proportionate to the revenue generated by said event, i.e. the more money going into an event, the more money paid out in the event.
- Prize Fund breakdown per finishing position is determined by number of attendees per event, details of which can be found in the BFA Tournament Regulations Policy document <https://britfoos.com/wp-content/uploads/2023/01/Tournament-Regulations.pdf>
